Mr. Nidal A. Balbeisi

Dear Friend and UL Supporter:

During this time of Thanksgiving we reflect upon the many facets of life for which we are grateful. We would like to take a moment to express our appreciation and gratitude to you for your support of initiatives at the University of Louisiana at Lafayette.

Despite some difficult financial times over the past year and a half, you have chosen to support the university and its mission. That support has been paramount to our efforts in maintaining and enhancing student, faculty and program activities. Without you and your support, these efforts would have been harder to sustain over the past 18 months.

On behalf of Dr. Joseph Savoie, the President of the University, and the entire UL community, we wish to say "Thank You" for the positive effects that you have had on our students through your contributions.

Thank you, once again, and best wishes during this season of Thanksgiving.

Sincerely,

Ken Ardoin
